Your City Directory

Is Something More than—

A Book of Names and Addresses
A Catalogue of Trades and Professions
A Street Guide

It is A Service that brings you daily in closer touch with your customers and friends

It Enables You to address them each and every one
To avoid the offense of incorrect spelling and addressing
To find new customers
To tell who lives in any house in the city
To find local sources of supply for hundreds of articles

It Will Save You time and money both in buying and selling. It will make you more efficient and protect your standing as an accurate and progressive business man

Your directory gives you an accurate bird's-eye view of your city, its institutions, inhabitants, government and buildings

Always Use the Latest Edition

There are two kinds of Advertising

That which the Buyer seeks, and that which is thrust upon him.

Both are good

Display advertising *suggests* wants and *creates* desire. Of its tremendous power many present day successes bear witness.

Reference Advertising steps in when the desire has been created. It shows where the goods can be purchased and gives information that the buyer wants *when he wants to buy.*

A Connecting Link

The weakness of display advertising is that often a need is not realized until the ad that suggested it is misplaced or thrown away.

A shrewd buyer usually looks the field over before buying and where is so logical a place to look as *in this book.*

A Help to You

In your buying, use the lists in this book. If you see a name in ***heavy type*** it is because that concern thought enough of your possible business to make it easy for you to find them. If it says "See page — —", you will find there information that will really help you.

Are You Covered?

Have you made it easy for buyers to find you, by putting a bold type listing under every heading where they might look for you or a competitor? Have you put information in the "Selling Section" that will really help a buyer, and point to *you* as the one who can serve him best?

If not, make a note to do it in the next edition, and let us tell you *now* how little it costs to be *protected.*

CLASSIFIED BUSINESS DIRECTORY OF TROY

COPYRIGHT, 1926, SAMPSON & MURDOCK CO., INC., ALBANY, N. Y.

The Classification of Headings is made in accordance with a Standard List adopted by the Association of American Directory Publishers, to secure uniformity in all Directories, and to promote convenience of reference. The * denotes headings inserted by special contract or reference to general headings.

WARD BOUNDARIES

The City is divided into six wards, bounded and described as follows:

First Ward—All that part of the city included within the following lines, to wit: Commencing at a point in the Mohawk river, where the centre line of Vliet street extended intersects the boundary line of the city; thence westerly along

said line and the centre line of Vliet street to its intersection with the Erie canal; thence southerly along the centre of said canal to the centre line of Newcomb street extended westerly to the centre of the lands of the N. Y. C. R. R.; thence westerly along said line to the centre of said railroad company's lands; thence northerly and westerly along the centre line of said railroad company's lands to its intersection to the northerly boundary line of said city; thence northerly and easterly along the boundary line of said city to the place of beginning, shall comprise the first ward.

Second Ward—All that portion of the city comprised within the following lines, to wit: Commencing at a point in the Mohawk river, where the line of Vliet street extended intersects the boundary line of the city; thence easterly and southerly along said boundary line and the centre of the south branch of said river as it flows easterly of Simmons' island, to a point directly east of the south end of said island; thence in a direct line to the point of intersection of the centre of Pine street with the centre of the Champlain canal; thence along the southerly boundary line of the second ward of the village (now city) of Cohoes to its intersection with the Erie canal; thence northerly along the centre of said canal to the centre of Vliet street; thence easterly along Vliet street and the line of Vliet street, extending to the place of beginning, shall comprise the second ward.

Third Ward—All that part of the city comprised within the following lines, to wit: Commencing at a point in the centre, of the south branch of the Mohawk river, directly east of the south end of Simmons island; thence southerly along the centre of said south branch to a point where the centre line of Cedar street, extended easterly, intersects the same; thence westerly along the said line, and the centre line of Cedar street to the centre of Saratoga street; thence in a direct line to the centre line of Columbia street, where it intersects the centre line of Mohawk street; thence westerly along the centre line of Columbia street to the centre line of the Erie canal; thence northerly along the centre line of said Erie canal to its intersection with the centre line of Newcomb street, extending in a direct line at the centre line of the New York Central railroad; thence easterly along said line of Newcomb street, and the southerly boundary line of the second ward of said city, as hereinbefore defined, to the place of beginning, shall comprise the third ward.

Fourth Ward—All that part of the city comprised within the following lines, to wit: Commencing at a point in the westerly bounds of the city where the centre line of Columbia street produced westerly would intersect the same, and running thence easterly along the centre line of Columbia street to the centre line of Mohawk street; thence southerly and easterly along the centre line of Mohawk street to its intersection with the centre line of Saratoga street; thence along the centre line of Saratoga street to its intersection with the centre line of Cedar street; thence easterly along the centre line of Cedar street and the same extended easterly to the intersection thereof with the centre line of the south branch of the Mohawk river; thence along said last mentioned centre line of said south branch of the Mohawk river to its point of intersection with the boundary line of said city, near Dyke avenue; thence in a southerly direction along said boundary line to its point of intersection with the southerly boundary line of said city; thence along said last mentioned line to the westerly boundary line of said city; thence along said last mentioned line to the place of beginning, shall comprise the fourth ward.

Fifth Ward—All that part of the city included within the following lines, to wit: Commencing at a point where the centre line of the Erie canal intersects the centre line of Columbia street; running thence northerly along the centre line of the Erie canal to a point where it intersects the centre line of Newcomb street extended in a direct line to the centre of said canal thence westerly in the direct line of Newcomb street extended to the centre line of the lands of the New York Central Railroad Company; thence northerly along the centre line of said lands to the northerly boundary line of said city; thence westerly and southerly along the northerly and westerly boundary lines of said city to their point of intersection with the centre line of the Boght road (now called Manor avenue); thence southerly along the westerly boundary line of said city to the centre line of Columbia street; thence easterly along the centre line of Columbia street to the place of beginning, shall comprise the fifth ward.

Sixth Ward—All that part of the city comprised within the following lines, to wit: Commencing at a point in the centre line of that portion of the south branch of the Mohawk river flowing between Simmons' island and Van Schaick's island where the same is intersected by the centre line of Ontario street; running thence in a northeasterly direction along the centre portion of said south branch of said Mohawk river to the northern boundary line of said city; thence along said last mentioned line to the easterly boundary line of said city; thence southerly along said last mentioned line to a point in the Hudson river east of the mouth of the middle sprout of the south branch of the Mohawk river; thence westerly along the centre line of said middle sprout to the centre of said south branch; thence northerly and westerly along the centre of the said south branch to the place of beginning, shall comprise the sixth ward.

INFORMATION

in the mass seems like a dull proposition but when we have a need of some person or thing nothing interests us more than getting information about that person or thing.

This directory looks like a big book to be walked around or fallen over or put out of the way, until you need some information that it contains—then it becomes the handiest thing around the place.

Has it ever occurred to you how much information you could get from this book, if you really knew how to use it?

There is a great mass of information here, arranged in a logical way that experience has shown most easily referred to. It does take a little study to know how to make full use, however, like anything else worth while.

A little study that opens up a new way to save time or increase accuracy is an asset to anyone. It may be you will find a lot of information you did not know was here before, that you would have spent a lot of time and trouble to find in other ways, and you will have increased your efficiency just that much. In buying, in selling, in shipping, correspondence, granting credit, sending bills, collecting money—

A Public Service Publication

Few lines of Business have such a varied clientele as has the City Directory. It serves high and low, rich and poor, with equal impartiality and with profit to all.

It answers the questions What? and Who? which arise in daily Business life and fills a position occupied by no other publication under the sun. It is often used from its issue until it falls to pieces and seldom will you find one entirely discarded while its leaves cling together. A publication which is used so universally and whose life is so long, must appeal to every shrewd business man as a most desirable advertising medium.

WHAT OUR DIRECTORIES CONTAIN

A Map of the City
A Street Directory
Halls, Blocks and Bldgs.

GOOD BUSINESS INSURANCE

YOUR advertisement in the City Directory with proper business listings insures your business against loss of trade.

The manufacturer or business institution that overlooks this fact is not building for the future.

The City Directory is active, 365 days every year. Let it serve you as it does others.

Our representative will be pleased to call and explain in detail the value of reference advertising.

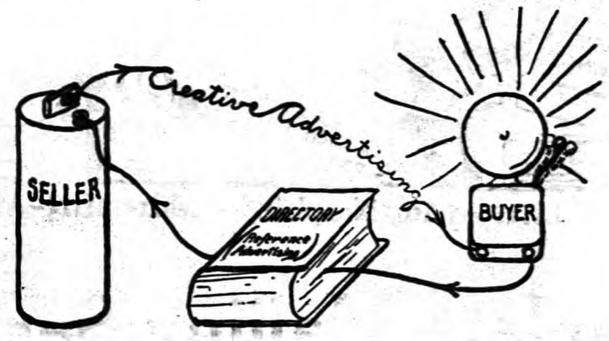
THERE IS A DIFFERENCE

SAMPSON & MURDOCK CO.

(INCORPORATED)

448 BROADWAY ALBANY, N. Y.

The Return Circuit in Advertising



The circuit must be completed before the bell will ring
The Buyer must find the Seller before a Sale is made

Creative Advertising—in newspapers, magazines, billboards, etc., tends to suggest wants and to create desire.

Before a sale results the initiative must pass from Seller to Buyer.

When this happens the Buyer begins actively to seek where he can best supply his wants.

This Directory is a logical place to look (at least our subscribers tell us they use it for this purpose) and the Reference Advertising herein has assisted many sales.

Have you made it easy for Buyers to find ***You?***

Send Your Sales Letters To "LIVE" Prospects

The mailing lists issued by Sampson & Murdock Co. are constantly revised and brought "up-to-the minute" by competent workers who use the latest city and state directories, in addition to other reliable information, in keeping them as accurate as is humanly possible.

Postage, printing and stock run so easily into money that every user of a mailing list will do well to consider the advantages of a list that has the minimum of dead wood and also the wisdom of having that list revised occasionally by experts.

The benefits of many a snappy sales letter, costly catalogue or other good advertising is lost because of the waste in sending to defunct firms, wrong addresses or other "has beens".

Our business is designed to save you a large percentage of this waste and if you will communicate with us we will be much pleased to quote you a price on revising your old list or on an entirely new one.

Maybe we can also give you some suggestions on preparing copy that will be of value to you.

COMPILING DEPARTMENT

The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Our experience of over seventy years—our reputation for accuracy, our large force of experienced help and our complete equipment for the work, all guarantee the best in directory compilation.

ADVERTISING DEPARTMENT

Put—"We are listed in the Directory" in all your advertising copy. Addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly registered in all branches of its industry is wise. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you.

LIST AND LETTER DEPARTMENT

Addressing the right people in the search for new business means a saving of Time, Postage, Labor, Guess Work, Stationery; and results in more profits to you. You want your mailing lists accurate—That's the kind we make. We will also multigraph, address, stamp and mail your letters. All you need to do is to tell us your general plan. We will work out the details. Ask us to tell you about this branch of our business.

Ask Sampson & Murdock Company
about the City Directory, the book of many uses.

INDUSTRIAL LIGHT AND POWER

This Company owns the entire water power of the Mohawk River, embracing the celebrated Cohoes Falls, near which they have recently erected a hydro-electric generating station of 54,000 H. P. capacity, to supply power consumers in the surrounding territory.

It also operates a gas plant, supplying gas to the City of Cohoes and North Side Waterford, for which the city is well piped.

Electric lines for power and light cover the city and North Side Waterford, Colonie, Halfmoon and Crescent. Consumers' rates are low and favorable contracts are made for power. The Company is progressive and offers favorable inducements to parties desiring to locate.
